Each Member and guest by use of the Network acknowledges: The Network is not a corporation, legal entity or association of any kind. Instead, the Network is the service name given to the variety of exchange, reservation and use services and related benefits offered from time to time by the Network Administrator, together with such additional services as the Network Administrator may arrange through additional agreements with other service providers. The services to be provided include the operation of the Reservation System and the Network Depository through which Members exchange and reserve use of Vacation Time and Partner Inventory.

### 3. CONDITIONS TO PARTICIPATION

- (a) **Prerequisites**. In order for any person to make a Reservation in the Network, the following conditions must be met:
  - (i) For Full Members:
    - (A) The person must have entered into a current Full Member Network Participation Agreement with the Network Administrator, which has been accepted by the Network Administrator. The Network Administrator reserves the right to refuse any Network Participation Agreement and applicable fees presented to it.
    - (1) Each Network Participation Agreement must be in the name of the lawful owner of the Vacation Time. The Network Administrator may require that any corporation, partnership, trust or other entity holding title to Vacation Time, other than a natural individual, designate an individual who shall be the exclusive beneficiary of and individual to exercise membership rights on behalf of such enterprise.
    - (2) Except as set forth in the Network Participation Agreement, the Network Administrator may require separate subscribing memberships for multiple owners of a single Vacation Time or may limit how multiple owners may exercise rights of membership.
    - (3) Each Member agrees that if any of the information contained in the Network Participation Agreement is incorrect, each Member will accept a notice of changed information from the Network Administrator as conclusive evidence of the correct information, and such notice shall be effective to so amend the Network Participation Agreement.
  - (B) The period in which a Member is enrolled as a Member of the Network is set forth in the Network Participation Agreement.
  - (C) The Vacation Time sought to be Deposited or which has been Deposited must be at an Affiliated Resort in good standing with the Network; provided that the Network Administrator may elect, in its sole discretion, to allow Vacation Time to be Deposited that is not from an Affiliated Resort.
  - (D) The applicable Network Dues must have been submitted to the Network Administrator by, or on behalf of, the person.
  - (E) The person must not be delinquent with their maintenance fees at the Affiliated Resort in which the Vacation Time is deposited, or have maintenance fee "block" placed on their account by the Affiliated Resort.
- (ii) For Participants:
  - (A) The person must have entered into a current Participant agreement with the Network Administrator, which has been accepted by the Network Administrator; and
  - (B) The applicable dues must have been submitted to the Network Administrator by, or on behalf of, the person.
- (b) **Enrollment Fee**. The Network Administrator reserves the right to charge a Member an enrollment fee payable upon commencement of his membership. The amount may vary from time to time and among Members.
- (c) **Network Dues**. Each Member is required to pay Network Dues in an amount determined by the Network Administrator. The Network Dues may vary from time to time and among Members. As to any Full Member, the Network Dues will also include a subscription to the External Exchange Program.

### 4. RCI POINT VALUATION

All Vacation Time and Units of Partner Inventory will be assigned an RCI Point value by the Network Administrator. The value assigned to Vacation Time will be based upon such factors as determined by the Network Administrator, including, but not limited to, supply and demand for Units at the Affiliated Resort, Unit type, seasonality, and historical occupancy percentages and amenities at the Affiliated Resort. The Network Administrator may revalue Vacation Time and Units of Partner Inventory from time to time, which may lead to an increase or decrease in the assigned RCI Point value for that Vacation Time or Unit of Partner Inventory.

### 5. RCI POINTS ALLOCATION, USE YEAR

- (a) For administrative convenience in the operation of the Network and in the determination of the respective rights of Members, Members are allocated a certain number of RCI Points. Each Full Member shall receive a certain number of RCI Points in exchange for Deposit of Vacation Time into the Network Depository. Each Participant shall receive a certain number of RCI Points upon fulfilling the conditions set forth in the Participant's agreement. RCI Points are symbolic of the power to make a Reservation for the use and enjoyment of Vacation Time and Partner Inventory through the Network during a particular Use Year.
  - (b) The initial allocation of RCI Points to a Member is established when a person becomes a Member of the Network. Subsequent allocations will occur upon the Deposit of additional Vacation Time. Once a Member has been assigned RCI Points, such amount will not change, and Members will be allocated the same number of RCI Points each Use Year. Notwithstanding the foregoing, if a Member Deposited Fixed Vacation Time and the Network Administrator increases or decreases the RCI Point value of that Vacation Time, the RCI Points allocated to that Member will increase or decrease by the same amount. If a Member Deposited other than Fixed Vacation Time and the Network Administrator increases or decreases the RCI Point value of that Vacation Time, the Network Administrator may, in its discretion, increase or decrease the RCI Points allocated to that Member for a period of time or for purposes of making certain Reservations.
  - (c) The number of RCI Points which a Full Member receives annually is the aggregate of RCI Points allocated to the Member. The number of RCI Points which a Participant receives for his or her time of participation is the amount set forth in the Participant's agreement.
  - (d) The Use Year for each Full Member shall be an annual recurring twelve (12) month period. The Use Year for a Participant shall be the period set forth in the Participant's agreement. A Member's Use Year shall begin on the date determined in accordance with the procedures set by the Network Administrator.
- IF WITHIN A GIVEN USE YEAR A MEMBER DOES NOT MAKE A RESERVATION WITHIN THE NETWORK AND THAT MEMBER OTHERWISE FAILS TO USE ANY OR ALL ASSIGNED RCI POINTS DURING THAT USE YEAR (INCLUDING TRANSFERRING THOSE RCI POINTS) AND THOSE RCI POINTS ARE NOT ELIGIBLE TO BE SAVED (AND AS A RESULT ARE NOT SAVED), THE MEMBER LOSES THE USE OF THOSE RCI POINTS (AND ANY DEPOSITED VACATION TIME) AND THE OUTSTANDING RCI POINTS EXPIRE.**

### 6. RESERVATIONS

- (a) **Reservation Requests**. A Member may request a Reservation any time after the Network Administrator accepts that Member's Network Participation Agreement. A Member shall only be permitted to make a Reservation through the Network if the Member is current in any and all obligations owed to the Network Administrator, his membership is otherwise valid and he is otherwise in compliance with the Network Documents.
- (b) **RCI Points Usage, Priority**. In order to make a Reservation for use of particular Vacation Time or of a Unit of Partner Inventory during any Use Year, a Member may only use RCI Points allocated in that Use Year and any RCI Points saved, borrowed, transferred or rented in or into that Use Year. A Member may make a Reservation for use of Vacation Time or a Unit of Partner Inventory in any future Use Year, provided that Use Year is within the term of the Member's Network Participation Agreement. RCI Points shall be used in the following order: saved, current, rented, transferred saved, transferred current, and transferred rented. Limited Use RCI Points may only be used to make a Reservation of Vacation Time at an Affiliated Resort 90 days or less prior to the start of that Vacation Time.
- (c) **Reservation Periods**. The Network contains a variety of Reservation periods.
  - (i) **Home Week Priority Reservation Period**. The Home Week Priority Reservation Period is designed to support a Full Member's use of the Member's Fixed Vacation Time. During the Home Week Priority Reservation Period, a Member who Deposited Fixed Vacation Time has the exclusive right to reserve the use of that Vacation Time, subject to the Network Documents. The Home Week Priority Reservation Period is 396 days to 366 days (approximately 13 to 12 months) prior to the first day of occupancy of the Fixed Vacation Time. If a Member makes a week-long Home Week Priority Reservation, then the Member will use the Member's entire allocation of RCI Points arising out of the Vacation Time to make that Reservation. If the Member's total number of allocated RCI Points is not sufficient to make that Reservation, the Network Administrator will still allow the Member to make that Reservation, deducting only the number of RCI Points allocated to the Member as a result of that Vacation Time.
  - (ii) **Home Resort Priority Reservation Period**. The Home Resort Priority Reservation Period is designed to support a Full Member's use of Vacation Time at his Home Resort. During this period, Reservations of Vacation Time in the Home Resort are available on a first come first served basis with only Full Members who Deposited Vacation Time at that Home Resort eligible to make a Reservation. The Home Resort Priority Reservation Period is 365 days to 335 days (approximately 12 to 11 months) in advance of the start date of the relevant Vacation Time. If a Member makes a week-long Home Resort Priority Reservation at an Affiliated Resort where that Member deposited Floating Time and the Reservation is during his floating use period, then the Member will use his entire allocation of RCI Points arising out of that Vacation Time to make that Reservation. If the Member's total number of allocated RCI Points is not sufficient to make the Reservation, the Network Administrator will still allow the Member to make that Reservation, deducting only the number of RCI Points allocated to the Member as a result of that Vacation Time.
  - (iii) **Home Group Priority Reservation Period**. The Home Group Priority Reservation Period is designed to support a Full Member's use of Vacation Time at resorts in his Home Group (or the continued use of his Home Resort if his Home Resort is not part of a Home Group). During this period, Reservations of Vacation Time in the Home Group are available on a first come first served basis with only Full Members who Deposited Vacation Time in that Home Group eligible to make a Reservation. The Home Group Priority Reservation Period is 334 days to 304 days (approximately 11 to 10 months) prior to the start date.
  - (iv) **Standard Reservation Period**. The Standard Reservation Period is the time period during which all Vacation Time at Affiliated Resorts becomes available for Reservation by all Members on a first come, first served basis. The Standard Reservation Period begins 303 days (approximately 10 months) in advance of the start date of the relevant Vacation Time.
  - (v) **Nonstandard Periods**. The Network Administrator reserves the right to designate for a particular Affiliated Resort or specific Vacation Time a different Home Week Priority Reservation Period, Home Resort Priority Reservation Period, Home Group Priority Reservation Period or Standard Reservation Period than that provided for above.

- (d) **Priority Reservations.** A Member may only use up to the number of RCI Points allocated to him from his Deposit of particular Vacation Time, in order to make a Reservation of Vacation Time during the Home Week Priority Reservation Period and Home Resort Priority Reservation Period relating to that Vacation Time. So long as the number of RCI Points used to make the Home Week Priority Reservation or Home Resort Priority Reservation are equal to or less than the number of RCI Points allocated to the Member as a result of the Deposit of the relevant Vacation Time, the actual source of the RCI Points is not relevant. Thus, a Member may use transferred or borrowed RCI Points for a Home Week Priority Reservation or a Home Resort Priority Reservation, if the Member had previously used current RCI Points for another Reservation.
- (e) **Daily/Split Reservations.** A Daily or Split Reservation entitles the Member who obtains such a Reservation to use a Unit at an Affiliated Resort on less than or more than a full week basis, including daily use or split week use. Minimum lengths of stay and the Reservation window applicable to a Daily/Split Reservation will be determined by the Network Administrator for each Affiliated Resort. A Member may not make a Daily/Split Reservation during the Home Week Priority Reservation Period and the Home Resort Priority Reservation Period.
- ALL VACATION TIME AT AFFILIATED RESORTS AND UNITS OF PARTNER INVENTORY ARE SUBJECT TO AVAILABILITY BASED UPON ALLOCATION OF RCI POINTS TO A RESPECTIVE MEMBER AND AS DETERMINED BY THE NETWORK ADMINISTRATOR IN ACCORDANCE WITH THE NETWORK DOCUMENTS. ALL RESERVATIONS, WITH THE EXCEPTION OF DURING THE HOME WEEK PRIORITY RESERVATION PERIOD, ARE ON A SPACE AVAILABLE, FIRST COME, FIRST SERVED BASIS. ALL RESERVATIONS ARE CONTINGENT UPON THE MEMBER REQUESTING THE RESERVATION AND HAVING SUFFICIENT RCI POINTS TO OBTAIN THE DESIRED VACATION TIME OR PARTNER INVENTORY. BLACKOUT DATES MAY APPLY AT SOME RESORTS AND WITH RESPECT TO SOME PARTNER INVENTORY. THE NETWORK ADMINISTRATOR CANNOT ENSURE THE AVAILABILITY OF A RESERVATION OF ANY SPECIFIC VACATION TIME THROUGH THE NETWORK, AS AVAILABILITY WILL VARY. THE EARLIER A RESERVATION IS REQUESTED, THE BETTER THE POSSIBILITY THAT A CONFIRMED RESERVATION CAN BE OBTAINED.**
- (f) **Making a Reservation Confirmation.** Reservations may be made in person, by mail, by facsimile or by telephone. Reservation requests are to be made to the Network Administrator as follows:
- (i) By telephone: 1-877-968-7476
  - (ii) By facsimile: 1-317-805-9315
  - (iii) By mail:  
RCI Points  
P.O. Box 80600  
Indianapolis, IN 46280
  - (iv) In person:  
Resort Condominiums International, LLC  
9998 North Michigan Road  
Carmel, Indiana 46032
- Attention: RCI Points Network
- Written confirmation, including a written confirmation number, will be returned to the requesting Member upon confirmation of a Reservation. Written confirmations must be presented upon check-in, not available, then a confirmation number must be provided.
- (g) **Alternate Reservation Procedure (Floating Time).** The Network Administrator may determine that for certain Affiliated Resorts that the Home Week, Home Resort or Home Group Reservations be made directly with the Home Resort or Home Group. In that case, a Member will make only those Reservations with the Home Resort or Home Group, with all other Reservations made with the Network Administrator.
- 7. RESERVATION SYSTEM PRIORITIES**
- The Network Administrator's ability to provide a confirmed Reservation for Members, except as provided below, is based upon (i) the availability of Vacation Time Deposited by Full Members in the Network or Partner Inventory otherwise obtained by the Network Administrator and (ii) the Member having a sufficient number of RCI Points to obtain the desired Vacation Time or Partner Inventory. To make a Reservation through the Network, a Member must have the necessary RCI Points to reserve the desired Vacation Time or obtain the Partner Inventory. Neither the Network Administrator nor resort personnel may represent that specific resort choices, any additional benefits and/or specific Vacation Time can be guaranteed through the Network with the exception of Home Week Priority Reservations. Members requesting a Reservation at their Home Resort or Home Group may receive priority over other Members who do not own Vacation Time at that Home Resort or Home Group. Reservation requests can only be honored if sufficient RCI Points in relation to the desired Vacation Time or Partner Inventory are available to the Member making the Reservation request. Other limitations, restrictions and priorities may be employed in the operation of the Network, including limitations based on seasonality, Unit size or other factors. These limitations may not be uniformly applied and as a result certain Vacation Time or Partner Inventory may be restricted in availability based upon applicable priorities and classification grouping of resorts, Vacation Time or benefits. The Network Administrator may set aside Deposited Vacation Time to match bulk and other Reservation requests and other demand needs. In the event such Reservations are not confirmed, the Vacation Time will be utilized to confirm other Reservations. Demand and supply and, therefore, RCI Points allocated to Vacation Time, may be influenced by many different factors. Location, quality, timing, region and comparability are among those factors, any or all of which may change constantly. To increase the likelihood that specific resort choices and Vacation Time may be confirmed, Members are encouraged to request a Reservation as far as possible in advance of requested Vacation Time. ~~The Network provides an opportunity to obtain exchanges pursuant to Reservations and does not provide a right to occupy any specific Unit or Unit types with the exception of Home Week Priority Reservations.~~
- 8. TRANSACTION FEES**
- Each time a Member requests a Transaction, the Network Administrator will collect the applicable Transaction fee prior to confirming the transaction. Transaction fees are established by the Network Administrator and may change from time to time and among Members.
- 9. BORROWING RCI POINTS**
- A Member may borrow RCI Points from the next succeeding Use Year so long as that Use Year is within the term of the Member's Network Participation Agreement. The borrowing of RCI Points and the use of borrowed RCI Points may be suspended or otherwise limited by the Network Administrator from time to time.
- 10. SAVING RCI POINTS**
- (a) Within the term of the Member's Network Participation Agreement, a Member may elect to save his/her allocated RCI Points from the current Use Year into the subsequent Use Year for purposes of making a Reservation in that subsequent Use Year. If RCI Points are saved, used for a Reservation and such Reservation is then cancelled, the saved RCI Points shall remain in the Use Year into which they were saved. Rented RCI Points, Limited Use RCI Points and RCI Points that have been previously saved cannot be saved into the next Use Year.
- (b) If a Member has not used all of his RCI Points by the end of a Use Year, the RCI Points eligible to be saved will be automatically saved into the Member's next Use Year. RCI Points that have been saved must be used in the Use Year into which they were saved. Thus, if RCI Points are not used in the Use Year in which they have been saved, they will expire. Saved RCI Points may be transferred to another Member, but those RCI Points are usable only within the transferee Member's current Use Year and may not be saved again. The saving of RCI Points and the use of saved RCI Points may be suspended or otherwise limited by the Network Administrator from time to time.
- 11. TRANSFERRING RCI POINTS**
- A Member may transfer his/her RCI Points to another Member for use in the transferee Member's Use Year. The transferee Member may transfer transferred RCI Points back to the transferor Member, but not to another Member. In order to transfer RCI Points, the Network Administrator must have received a completed authorization, in the form established by the Network Administrator. If a Reservation fulfilled through the use of transferred RCI Points is cancelled, such transferred RCI Points shall be returned to the account of the Member who made the Reservation. Limited Use RCI Points may not be transferred. The transferring of RCI Points and the use of transferred RCI Points may be suspended or otherwise limited by the Network Administrator from time to time.
- 12. RENTING RCI POINTS**
- The Network Administrator may, in its discretion, offer Members the opportunity to rent RCI Points for use in a particular Use Year. The rental rate for RCI Points is determined by the Network Administrator and may change from time to time. Rented RCI Points may only be used in the current Use Year and cannot be saved or transferred. The Network Administrator reserves the right to restrict the total number of RCI Points that can be rented within the Network in any one Use Year, the total number that can be rented by a Member during a Use Year, and/or the Reservations for which rented RCI Points can be used. Payment must be made by the Member renting such RCI Points at the time of rental. The renting of RCI Points may be suspended or otherwise limited by the Network Administrator from time to time. There is no assurance that a Member will be able to rent RCI Points. Availability of RCI Points in any particular Use Year is dependent upon the then current availability within the Network Depository of such RCI Points for rental. Rental of RCI Points is on a first come, first served basis and if available, is on a year-to-year basis without a recurring right to rent.
- 13. CANCELLATIONS**
- (a) **RCI Points Resort and Points Partner Reservations.**
- (i) If a Member or guest cancels an RCI Points Resort or Points Partner Reservation there will be no refund of the Transaction fee charged.
  - (ii) If a Member or guest cancels an RCI Points Resort or Points Partner Reservation, the amount of RCI Points refunded, if any, depends upon how far in advance of travel that the cancellation is made. When canceling RCI Points Resort or Points Partner Reservations 90 or more days in advance of the starting time of the Reservation, the Member will receive a full refund of the RCI Points used to make that Reservation. If a Member cancels an RCI Points Resort or Points Partner Reservation less than 90 days in advance of the start time of the Reservation, the Member will receive a percentage of the Member's RCI Points refunded based on the following sliding scale:
- |                           |                      |
|---------------------------|----------------------|
| <b>90 Days or greater</b> | <b>100% refunded</b> |
| <b>89 Days to 46 days</b> | <b>75% refunded</b>  |
| <b>45 Days to 30 days</b> | <b>50% refunded</b>  |
| <b>29 days or less</b>    | <b>25% refunded</b>  |
- (iii) Refunded Points will return to the Use Year from which they came unless that Use Year has passed. In that case, the RCI Points will be assumed to be auto-saved and will return to the following Use Year. If this occurs, there will not be a fee for the auto-saving. If the RCI Points associated with the confirmation being canceled should have previously expired, the Member will forfeit the RCI Points.
- (b) **RCI Weeks Resort Reservations.**
- (i) Members will have access to the RCI Weeks Exchange Program. A Member may make a Reservation of available RCI Weeks inventory upon redemption of the number of RCI Points set forth in RCI Weeks grids published by the Network Administrator. If an RCI Weeks External Exchange is requested and space is unavailable, the Member may submit an ongoing request. RCI Points are deducted at the time the Reservation is made.
  - (ii) For RCI Weeks Reservations, cancellation policy pertaining to the Transaction fee will be based on the cancellation date before travel. If cancelled greater than 60 days in advance of travel, \$99 USD will be forfeited. If cancelled less than 60 days in advance, the entire Transaction fee will be forfeited.
  - (iii) If a Member or guest cancels an RCI Weeks Reservation, the amount of RCI Points refunded, if any, depends upon how far in advance of travel that the cancellation is made. When canceling RCI Weeks Reservations 90 or more days in advance of the starting time of the Reservation, the Member will receive a full refund of the RCI Points used to make that Reservation. If a Member cancels an RCI Weeks Reservation less than 90 days in advance of the start time of the Reservation, the Member will receive a percentage of the Member's RCI Points refunded based on the following sliding scale:
- |                           |                      |
|---------------------------|----------------------|
| <b>90 Days or greater</b> | <b>100% refunded</b> |
| <b>89 Days to 46 days</b> | <b>75% refunded</b>  |
| <b>45 Days to 30 days</b> | <b>50% refunded</b>  |
| <b>29 days or less</b>    | <b>25% refunded</b>  |
- (iv) Refunded Points will return to the Use Year from which they came unless that Use Year has passed. In that case, the RCI Points will be assumed to be auto-saved and will return to the following Use Year. If this occurs, there will not be a fee for the auto-saving. If the RCI Points associated with the confirmation being canceled should have previously expired, the Member will forfeit the RCI Points.
- 14. WAIT LISTS**
- The Network Administrator may establish wait lists for particular Vacation Time. Only Members current in the payment of Network Dues and all other amounts as may be owed respecting the Network or as otherwise required by these Terms and Conditions may be placed on a wait list. The Network Administrator reserves the right to limit the number of Members that may be on any wait list.
- 15. GUESTS**
- A Member may arrange use of Vacation Time and of Partner Inventory by a guest age twenty-one (21) and older. Reservations for guests must be made by the Member and may be made in the guest's name. The Network Administrator reserves the right to charge a fee for a non-Member's (i.e., guest) use of a Member's RCI Points.
- 16. NETWORK PARTNER INVENTORY**
- The Network Administrator anticipates the offering of Partner Inventory. The Network Administrator shall not be required to make Partner Inventory available, but may do so in its discretion. Members of the Network may have the option to use their RCI Points to book, among other things, airline reservations, rental cars, cruises and hotel stays as may be made available by the Network Administrator from time to time and will be subject to additional terms and conditions provided by the respective Partner Inventory provider.
- Each of these Transactions may require a combination of fees paid and RCI Points used. Limited Use RCI Points may not be used to make Reservations of Partner Inventory.
- 17. REPRESENTATIONS/ACKNOWLEDGMENTS**
- (a) Each Member agrees that by signing the Network Participation Agreement, the Member represents and warrants to the Network Administrator that: (1) The Member has the legal right to use and assign the use of the Vacation Time and all other resort amenities to which the Member has access; (2) the Vacation Time has not been and will not during the term of the Member's participation be assigned, offered or made available to any third party outside the Network; (3) the physical accommodations in which the Member owns Vacation Time are in good and usable condition; and (4) all Vacation Time Expenses arising during the term of the Network Participation Agreement have been paid or will be paid by the Member when due.
  - (b) Each Member acknowledges that options available to Members for Reservations and the procedures and conditions governing Reservations are set out in the various Network Documents, copies of which each Member has received. Such procedures and conditions are incorporated herein in their entirety. Each Member further acknowledges that his/her participation in the Network and use of Units at Affiliated Resorts and of Network Partner Inventory are subject to the Network Documents.
  - (c) Each Member acknowledges that the Network Documents which govern each Member's use, occupancy and enjoyment of the Vacation Time may change from time to time in accordance with their terms.
  - (d) Each Member acknowledges that as a Member of the Network, each Member is automatically an RCI subscribing member, allowing each Member to access the RCI Weeks External Exchange Program in accordance with the Network Documents. Each Member acknowledges that, in addition to the Network Documents, each Member's access, use, occupancy and enjoyment of Vacation Time in and through the RCI Weeks External Exchange Program is also governed by the RCI Terms and Conditions of Membership, which may change from time to time in accordance with its terms. Each Member acknowledges that such Member has received a copy of the foregoing terms and conditions prior to executing the Network Participation Agreement.
  - (e) Each Member acknowledges that, except for a confirmed Reservation during the Home Week Priority Period, the Unit for which a Member receives a confirmed Reservation may differ in unit size, design, furnishings, amenities and facilities from the Unit associated with such Member's Vacation Time.
  - (f) Each Member acknowledges that RCI may (without refund or credit) revoke a confirmed Reservation, terminate or suspend the membership of a Member or deny access to any of the products or services offered in connection with a membership in the event that Member or his/her guest misuses a Reservation or otherwise breaches these Terms and Conditions or any other Network Document.
- 18. ADMINISTRATION**
- (a) **Records, Statements.** The Network Administrator will maintain records of all Reservations, use and allocation of RCI Points. The Network Administrator will make available to each Member a Points Statement, on a Use Year basis, which shall contain the activity of the Member for the prior Use Year.
- (b) **Late Check-in.** Unless a Member or guest informs the check-in desk at a particular resort or the applicable Partner Inventory provider that they anticipate checking in later than the arrival time designated within a confirmed Reservation, the arriving Member or guest risks forfeiture of such Reservation and the RCI Points used to make such Reservation, consistent with Section 13.
- (c) **Applicable Limitations.** Various limitations exist for Affiliated Resorts and with respect to Partner Inventory (e.g., occupancy limitations, baggage limitations). Each Member and guest shall observe applicable occupancy limitations, and shall comply with any terms and conditions set forth by the respective Affiliated Resort and/or Partner Inventory provider.

- (d) **Relationship Between RCI and Affiliated Resort.**
- The Network, the Affiliated Resorts and the providers of Partner Inventory are separate and distinct entities and the services provided by the Network are separate and distinct from the products or services that are sold by or on behalf of the Affiliated Resort or Partner Inventory provider. While the Network Administrator may have entered into a Network Affiliation Agreement with a Home Resort or Home Group or an agreement with a Partner Inventory provider, the Network Administrator does not have the ability to control the operations of the Home Resort or Home Group or the Partner Inventory provider. Thus, the Network Administrator cannot be responsible or liable for the actions or omissions of Affiliated Resorts or of Partner Inventory providers.
  - Each Affiliated Resort is a party to an agreement with the Network Administrator. These Terms and Conditions are separate and distinct from the Network Administrator's agreement with the Affiliated Resort.
  - The Network Administrator and the Affiliated Resort, developer, marketer or seller of Vacation Time are separate and distinct entities, and the Network and the products or services that are sold by or on behalf of the Affiliated Resort, including but not limited to Vacation Time, are also separate and distinct. Neither the Network Administrator nor the Network Depository own, develop, market or sell Vacation Time, nor are either one engaged in a joint venture, partnership or agency relationship with the Affiliated Resort, developer, marketer or seller of Vacation Time. Further, these Terms and Conditions are separate and distinct from each Member's agreement with the Affiliated Resort, developer, marketer or seller of Vacation Time.
  - If the Affiliated Resort fails to perform the obligations in its agreement with the Network Administrator, or if that agreement ends for any reason, the resort may lose its Affiliated Resort status. The Network Administrator may, at its option, continue to honor existing memberships for the remainder of their term despite loss by the Affiliated Resort of its status as an Affiliated Resort. The Network Administrator may, at its option, also cancel existing Vacation Time or the relevant RCI Points following the loss by the resort of its status as an Affiliated Resort.
  - Each Member's decision to purchase Vacation Time should be based primarily upon the benefits to be gained from the ownership, use and enjoyment of such Member's Vacation Time at the Affiliated Resort and not upon the anticipated benefits of the Network. The Affiliated Resort at which a Member purchases Vacation Time is solely responsible for its financial viability and the quality of its accommodations, facilities, amenities, management and services.
- (e) **Information on Affiliated Resorts and Partner Inventory.** Information about Affiliated Resorts and Partner Inventory provided by the Network is based on information obtained from Affiliated Resorts and Partner Inventory providers. While the Network Administrator will make reasonable efforts to ensure that information provided by the Network to the Members is accurate and complete as of the date such information is published by the Network, RCI expressly disclaims any liability for inaccurate, incomplete or misleading information concerning any Affiliated Resort or Partner Inventory provider.
- (f) **Cancellation by Network Administrator.** Reservations may be cancelled by the Network Administrator in respect to any resort which ceases to be an Affiliated Resort or Partner Inventory provider. Upon any such cancellation, the relevant RCI Points will be returned to the Member. The Network Administrator may also cancel a Reservation due to an Event of Force Majeure (as defined in Section 26 which renders the Unit or Unit of Partner Inventory uninhabitable or unusable. Upon any such cancellation, the Member will not receive a refund of RCI Points used for that Reservation. In addition, the Network Administrator may cancel a Reservation following the suspension or termination of a Member's membership in the Network. Upon any such cancellation, the Member will not receive a refund of RCI Points used for that Reservation.
- (g) **Withdrawal of Benefits.** The Network Administrator may withdraw benefits, including Vacation Time at Affiliated Resorts and Units of Partner Inventory, or suspend or terminate the affiliation of Home Resorts or Home Groups with the Network in accordance with the following:
- A resort may be terminated as an Affiliated Resort if it is not operated in a commercial or reasonable manner that enables it to meet its obligations or is otherwise not in compliance with the rules, regulations, policies and procedures of the Network or if there is a termination of the Network Affiliation Agreement;
  - If a resort is destroyed or condemned or otherwise not suitable for use, the Resort may be withdrawn from the Network;
  - If the legal existence of the property regime at the resort is terminated, then the resort may be withdrawn;
  - In the event the Network Affiliation Agreement is terminated or expires, or the Affiliated Resort is otherwise terminated from its relationship with the Network, the Affiliated Resort will no longer be considered an Affiliated Resort. In such event, the Network Administrator shall use reasonable efforts to seek to make available alternative accommodations for Members whose confirmed Reservations are cancelled; provided, the Network Administrator has no obligation to reimburse a Member for any cost or expenses or to otherwise satisfy specific requests;
  - In the event that the agreement between the Partner Inventory provider and the Network either expires or is terminated; or
  - In the event that the Network Administrator terminates the operation of the Network.
- (h) **Re-Enrollment.** If a Member's membership terminates or is terminated by the Network Administrator for any reason, and the Member desires re-enrollment in the Network, the Member must execute a new Network Participation Agreement. The Member's re-enrollment is subject to the Network Administrator's right to refuse any Network Participation Agreement and the applicable fees that are presented to it.
- Non-Commercial Use.** Network use by a guest or a Member may not be for commercial purposes, including through auction, rental or sale.
  - Failure to Pay.** Network Dues shall be paid when billed by the Network Administrator. If not paid within thirty (30) days after date of the bill, Network Dues will accrue interest at 1 1/2% per month (18% per annum) or the maximum permitted by law, whichever is less, and a late fee will be charged in an amount of \$10.00 USD. In addition, all Member or guest Transactions or other fees must be paid when due.
- (k) **Additional Fees, Damages.** Members or guests are responsible for payment of applicable taxes, personal expenses, utility charges, security deposits and other fees or charges levied with respect to Vacation Time at an Affiliated Resort or a Unit of Partner Inventory. Members are also responsible for any damages and/or expenses incurred or caused by themselves or their guests.
- (l) **Monitoring.** Communications to and from representatives of the Network may be monitored and/or recorded for training and quality control purposes.
- (m) **Additional Products, Services.** Each Member acknowledges that RCI or its affiliates may on occasion offer products or services through solicitations via mail, email, telephone or other medium. Each Member hereby consents and expressly requests to receive such solicitations from RCI or its affiliates, including telephone solicitations utilizing automatic dialing equipment and/or artificial or pre-recorded messages. Each Member's consent and request to receive such solicitations continues, whether or not this Agreement is terminated or expires, for the maximum period of time permitted by applicable law, unless the Member expressly withdraws such consent and request.
- Each Member authorizes the Affiliated Resort or other applicable entity to release to RCI any information RCI requests related to such Member's payment or lack of payment of Vacation Time Expenses.
- (o) Each Member acknowledges that if such Member fails to pay Vacation Time Expenses, the Network Administrator may in its sole discretion pay some or all of the outstanding Vacation Time Expenses. In that case, the amount of Vacation Time Expenses paid by the Network Administrator shall be treated as such Member's Network Dues which have not been paid.
- 19. MEMBER SUSPENSION AND TERMINATION**
- (a) **Suspension.** A Member may be suspended by the Network Administrator from participation in the Network and use of his allocated RCI Points if: (i) the Member breaches any provision of these Terms and Conditions or any other Network Document; (ii) the Member fails to pay any fees due and owing respecting the Network or any Affiliated Resort, including homeowner association fee(s) and assessment(s) at such resort; (iii) the Member fails to remain current in the payment of any purchase money obligations respecting Vacation Time Deposited by that Member; or (iv) the Affiliated Resort associated with the Member's Deposited Vacation Time is not then in good standing with the Network. If a Member is suspended, the Member may not avail him or herself of the benefits of the Network, inclusive of the following:
- the Member may not obtain Reservations;
  - the Network Administrator may cancel confirmed Reservations and remove the Member from any wait lists; and
  - the Member may not be allocated RCI Points for a respective Use Year during suspension.
- Any suspension of use of RCI Points shall neither release a Member nor his Vacation Time from the Network Participation Agreement.
- (b) **Termination.** The Network Administrator may terminate a person's membership or a particular Network Participation Agreement upon the occurrence of any of the following:
- upon the termination or expiration of all the Member's outstanding Network Participation Agreements;
  - following suspension if the Member fails to cure the reasons for such suspension within such time as determined by the Network Administrator;
  - in the event that the Network terminates, all memberships shall terminate; or
  - the Affiliated Resort at which the Member Deposited his Vacation Time is no longer an Affiliated Resort; or
  - if required to do so by any local, state or federal governmental entity (or its equivalent if a foreign country) and/or any laws, rules or regulations that may apply.
- Notwithstanding the termination of the Member, all fees and other amounts owing to the Network Administrator by such Member shall be immediately due and payable to the Network Administrator. Upon termination, use rights associated with the Vacation Time will remain subject to the assignment to the Network pursuant to the terms of the relevant Network Participation Agreement, unless released by the Network Administrator.
- 20. WITHDRAWING, TRANSFERRING OR RENEWING A MEMBERSHIP**
- (a) **Withdrawals.** A Member may not withdraw from the Network until the expiration of all of the Member's outstanding Network Participation Agreements.
- (b) **Transfers.** If a Member sells or otherwise transfers his/her Vacation Time, the Member may also transfer his/her RCI Points Subscribing Membership to the grantee/purchaser. The Member must submit to RCI the properly executed membership transfer application, pertinent ownership information, and the applicable membership transfer fees. The Network Administrator also reserves the right to refuse to accept any membership transfer application and the applicable fees. If a Member conveys his/her Vacation Time, the grantee/purchaser will acquire the Member's Vacation Time, subject to any outstanding Reservations which exist in respect to such Vacation Time.
- (c) **Renewals.** When enrolled in the Automatic Renewal Billing, as provided for in the Network Participation Agreement, Network Dues at the applicable rate at membership expiration are automatically invoiced or charged to the credit card indicated, or such replacement card as the Member provides (or the same may be billed to the Member); provided that RCI will provide the Member with at least seven (7) days prior written notice of upcoming renewal. Membership then continues upon payment for an additional term equal to three (3) years, as long as eligibility of membership remains. Payment of the Network Dues is acceptance of a new membership term equal to three (3) years. Failure to pay membership for a renewal term may result in termination of membership and may require payment to reinstate membership.
- 21. LIMITATION OF LIABILITY**
- The Network's liability, including the liability of the Network Administrator, to a Member or guest with respect to their use of or inability to use the Network shall be limited to the fees paid to the Network Administrator for the relevant use. In no case shall the Network or the Network Administrator be liable for special, consequential or punitive damages. Non-network related programs and services, including but not limited to Partner Inventory, offered through the Network Administrator are subject to separate terms and conditions and may be changed, eliminated or added to without prior notice to you. The Network Administrator accepts no responsibility for the actions or omissions of any third parties providing such programs or services directly to you.
- 22. RIGHTS OF NETWORK ADMINISTRATOR**
- The Network Administrator may waive the application of any requirement, including Transaction fees, otherwise existing in the Network Documents. When a Member uses his RCI Points to make a Reservation of Partner Inventory, those RCI Points are assigned to the Network Administrator for its use in promoting and operating the Network. The Network Administrator may use those RCI Points to make a Reservation of Vacation Time, to make those RCI Points available for Participants, or to otherwise use or dispose of those RCI Points. Based upon anticipated demand, the Network Administrator may exchange Vacation Time in the Network Depository for Vacation Time in the External Exchange Program. Further, the Network Administrator may, at any time, dispose of Vacation Time it reasonably determines will likely go unused, and the Network Administrator may dispose of any Vacation Time that is not the subject of a Reservation ninety (90) days prior to the start date of that Vacation Time. Finally, the Network Administrator may, in its sole discretion, accept or reject any Network Participation Agreement.
- 23. ASSIGNMENT OF RIGHTS**
- (a) **Rights/Obligations.** During the period in which a Member is enrolled as a Member of the Network, the Member hereby assigns rights in respect to the Vacation Time identified to the Network Administrator for use and enjoyment of the Network Administrator, the Network Depository and the Members within the RCI Points Network in accordance with the Network Documents. Each Member shall retain title to the Vacation Time. All Vacation Time Expenses shall remain the applicable Member's obligation, and are not assigned or delegated to or assumed by RCI, and the applicable Member remains responsible for the payment of all Vacation Time Expenses.
- (b) **Network Documents.** The purpose of the assignment is to grant to the Network Administrator during the period in which a Member is enrolled as a Member of the Network all rights of use, enjoyment and occupancy as relates to the Vacation Time. Members shall have such rights to use the Vacation Time as set forth in the Network Documents. Members shall not disturb the rights of the Network Administrator, the Network Depository, or any Member to use, enjoy, occupy and otherwise perform their respective rights, privileges and duties in respect to the Vacation Time, or disturb the rights of the Network Administrator, the Network Depository or any Member in respect to use and enjoyment of the assigned rights. Each Member's rights of use, occupancy and enjoyment of the Vacation Time during the period in which a Member is enrolled as a Member of the Network shall be as set forth in and are subject to the Network Documents. Each Member acknowledges that those documents may be changed from time to time in accordance with their terms. RCI hereby subordinates the rights assigned to RCI to any first mortgage and to each Member's Home Resort Owners' Association assessment lien.
- (c) **Assignment of Deposited Vacation Time.** By depositing Vacation Time in the Network Depository, a Member relinquishes all rights to the use of that Vacation Time and agrees that such deposited Vacation Time may be used by the Network Administrator to conduct exchanges, inspection visits, rentals, promotions and for other purposes at the Network Administrator's discretion. The Network Administrator reserves the right to assign a Member's deposited Vacation Time to others, whether or not the Member has made a Reservation. A Member retains title to the deposited Vacation Time. All Vacation Time Expenses are not assigned or delegated to or assumed by the Network Administrator. A Member shall not disturb the rights of the Network Administrator, the Network Depository or any Member to use, enjoy, occupy and otherwise perform their respective rights, privileges and duties in respect to the deposited Vacation Time.
- 24. NETWORK INTEGRITY**
- In addition to all other rights provided to the Network Administrator in the Network Documents, the Network Administrator shall have the right to take such actions, as determined by the Network Administrator in its discretion, to ensure the continuing integrity of the Network. Such actions may include, but not be limited to, restricting Members' ability to access Partner Inventory, restricting the timing or amount of RCI Points that may be saved, borrowed, transferred or rented, and adjusting the RCI Point value of Vacation Time and of Units of Partner Inventory.
- 25. AMENDMENT**
- The Network Administrator may amend its Network Documents at any time. The Network Administrator will make such amendments available to Members by newsletters, publications, and mailings or on our website located at www.rci.com.
- 26. FORCE MAJEURE**
- If the Network Administrator should be prevented, hindered or delayed in the performance of any of its obligations set forth in the Network Documents, including, but not limited to, providing lodging accommodations, due to an Event of Force Majeure (as defined below) beyond its reasonable control, and which cannot reasonably be circumvented by the Network Administrator through the use of alternate sources or other means, then the Network Administrator shall be excused from further performance upon written notice to the affected Member stating the reason for such nonperformance, without obligation to refund or return any amounts paid by the affected Member prior to such notice. The term "Event of Force Majeure", as used herein, shall mean and refer to (i) an act of God or public enemy, fire, explosion, perils of the sea, lightning, earthquake, storm, flood, declared or undeclared war, revolution, insurrection, riot, act of piracy, act of terrorism, sabotage, blockade, embargo, accident, epidemic or quarantine; (ii) action by a governmental authority which prevents or delays performance of the Network Administrator's obligations hereunder; or (iii) a strike, lockout or other labor unrest resulting from any cause and whether or not the demands of the employees involved are reasonable or within the Network Administrator's power to concede. Notwithstanding the Network Administrator's inability to perform any of its obligations set forth in the Network Documents, the Member's obligations set forth in the Network Documents shall continue.
- 27. EXCLUSIVE JURISDICTION**
- (a) **Governing Law.** These Terms and Conditions and the Network shall be governed by the laws of the State of New Jersey.
- (b) **Forum.** Any legal action relating to or arising out of this Agreement shall be commenced exclusively in the state or federal courts in and for Morris County, New Jersey. **This Section 27(b) is not applicable to residents of North Carolina.**
- (c) **Waiver.** Each Member or guest waives the right to a trial by jury.
- (d) **Legal Fees.** If any legal action is initiated by a Member or guest and the Network prevails, that Member or guest shall pay all costs incurred by the Network in defending such action, including reasonable attorneys' fees.
