

# RCI WEEKS RESORT RESERVATIONS

As an RCI Points Member you are automatically an RCI Weeks subscribing member, with complete access to the RCI Weeks system. RCI Weeks has more than 3,700 resorts in nearly 100 countries. See your *RCI Weeks Directory* for a complete list of resorts, or visit the on-line directory at RCI.com.

Choose any destination from the RCI Weeks Directory. You may make a reservation up to 2 years in advance and stays are for 7 nights. The following set of RCI Weeks Exchange Grids will help you determine the number of Points that are required to make a transaction. The number of Points needed is based on the season, unit size and resort recognition status of the resort that is being confirmed as well as the region in which the resort is located.

**For example**, a one-bedroom unit during Red season at an RCI Gold Crown Resort in Florida would require 30,000 Points.

If your vacation is not available on the initial call, an ongoing request may be entered. If your vacation request has a match, we will call you!

Any request made within 45 days of the check-in date that is confirmed on the initial call will only require the Points equivalent of the region's lowest season and smallest size unit of a Standard Resort in the requested region, or 9,000 points, whichever value is lower\*.

**For example**, a reservation for a resort in Florida that is confirmed on the initial call made less than 45 days from the check-in date would only require 9,000 Points.

For week numbers (1-52), consult your Points Directory Calendars.  
For Red, White and Blue weeks, consult your RCI Weeks Directory Resort Listings.
