

YOUR VACATION OWNERSHIP YOUR OPTIONS.

Exchange Points:

Exchange your Points for a weeklong vacation or several trips from one to 21 nights at 4,200+ affiliated properties worldwide. Make the most of your Points by using them across multiple exchanges each year.

Save Points:

Carry over Points into your next Use Year for just \$36. Points are saved automatically and by saving Points, you'll have more options to take your dream vacation.

Borrow Points:

You can borrow Points from your next Use Year to exchange for a vacation that requires more Points. For example, if your desired Exchange vacation is valued at 30,000 Points, and you have a current balance of 24,000 Points, you can borrow the extra 6,000 Points from your next use year.

Rent Points:

By renting Points, you can expand your available Exchange vacation options and take trips at higher Points values than your current balance – without depleting your next Use Year's Points balance. You can rent up to 50% of your annual Points allocation at a rate of \$0.0300 per Point to complete a transaction.*

Extend Points:

Get more time to use your Points by carrying over saved Points into a third Use Year. Extend 30,000 Points or less for \$109. Extend 30,001 Points or more for \$159. Points extension is free for Platinum members. Just make sure to extend your Points before they expire.

**The rental rate and the Renting Points feature may change without notice. Your ability to rent Points will depend on the availability of vacations in the RCI Points program. Rented Points may only be used in the current Use Year.*

**Tip or Helpful Hint: Your Use Year is a recurring 12 month period that starts on the first day of the month following the setup of your RCI® account.*
