

RCI Platinum® Membership Tier Rules

These RCI Platinum Rules (these “Rules”) supplement and do not replace the current RCI terms of membership (“Terms of Membership”) in respect of the RCI Weeks Exchange Programme. Capitalized terms used and not defined in these Rules shall have the meanings set forth in the Terms of Membership.

1. General

- 1.1. RCI® Members may upgrade their basic RCI Weeks subscribing membership (the “Weeks Membership”) to the RCI Platinum membership tier (the “Platinum Membership”) by paying the applicable RCI Platinum Membership tier fees in addition to the Network Dues/Subscription Fees. The term “RCI Platinum Member” means a Member who has purchased a Platinum Membership. The Platinum Membership term may not be coterminous with the basic Weeks Membership term. It is the Member’s responsibility to ensure their basic Weeks Membership does not lapse during their Platinum Membership term.
- 1.2. Platinum Members may cancel their Platinum Membership at any time, separate from their Weeks Membership. Similarly RCI may cancel or terminate the Platinum Membership at any time for no reason. RCI may provide a Platinum Member a refund for a portion of the Platinum Membership fees paid, depending upon when cancellation occurs.
- 1.3. Certain Platinum Membership benefits are offered by third parties.
- 1.4. RCI may at any time, in its sole discretion, remove or change the benefits provided as a part of the Platinum Membership.
- 1.5. RCI may amend these Rules at any time in its sole discretion in the manner set forth in the then-current version of the Terms and Conditions for amending the Terms and Conditions.
- 1.6. Platinum Membership and certain benefits of Platinum Membership are only available in certain countries, including those benefits provided by third parties. If a Member purchases a Platinum Membership in a particular country, and resides or thereafter moves to another country where a different version of the Platinum Membership is available, the Platinum Membership benefits available to the Member will be only those available in the latter country. If a Member purchases a Platinum Membership, and resides or thereafter moves to another country where the Platinum Membership is not available, the Member may cancel the Platinum Membership and, upon cancellation, the Member will receive a pro-rata refund of the amount paid for the Platinum Membership; in such event, the basic Points Membership or Weeks Membership (as applicable) will remain unchanged.

2. Upgrades and Changes

- 2.1. At the time a Platinum Member requests a Reservation for the use of Vacation Time (an “Exchange”), the Platinum Member will be given the option to indicate whether such Platinum Member would like to receive a unit upgrade in the same Exchange program in the event that a qualifying unit becomes available. Unit upgrades are not guaranteed, and will be provided on a first come, first serve basis, based upon the initial confirmation date of the Exchange.
- 2.2. If available, RCI will provide a unit upgrade for the applicable Reservation no sooner than 14 days prior to the check-in date of the Reservation. RCI will notify Platinum Members of an applicable unit upgrade only via email and not via phone.
- 2.3. Unit upgrades are units that have at least one additional bedroom than the unit that was previously confirmed.
- 2.4. The start date of the stay at the upgraded unit must be within 2 days of the start date (either 2 days before or 2 days after) of the previously confirmed Exchange and the length of the stay must be the **same number of nights** as the previously confirmed Exchange.
- 2.5. Platinum Members may also request to change a resort selected in a previously confirmed Exchange beginning 14 days prior, and up to 3 days before, the start date of the previously confirmed Exchange. The requested substitute resort must be at a choice of five preferred resorts within the same geographic region as the resort subject to the previously confirmed Exchange and the unit at the requested substitute resort must be the same size or larger than the unit subject to the previously confirmed Exchange. In addition, the start date of the stay at the substitute resort must be within 2 days of the start date (either 2 days before or 2 days after) of the previously confirmed Exchange and the length of the stay at the substitute resort must be **the same number of nights** as the previously confirmed Exchange.
- 2.6. In order for a Platinum Member to receive a unit upgrade or resort change, the applicable Platinum Membership and Weeks Membership must be current and paid in full at the time the unit upgrade or resort change is processed.
- 2.7. Unit upgrades and resort changes are only available for standard RCI Weeks Exchanges, and do not apply to any other transactions, including but not limited to: Home Resort exchanges; Extra VacationsSM getaways; and Last CallSM vacations.
- 2.8. No additional Deposit Trading Power (for RCI Weeks Members) or fees are required for a Platinum Member to receive a unit upgrade or resort change, except additional housekeeping or other resort-specific fees that may apply, based on increased unit size or different resort policies, for which the Platinum Member will be responsible.

2.9. The Platinum Member shall be solely responsible for any costs incurred by the Platinum Member in changing travel arrangements in connection with a resort change.

2.10. Platinum Members are limited to either one unit upgrade or one resort change per Confirmed Exchange.

2.11. Once either a unit upgrade or resort change has been confirmed, standard Exchange cancellation policies shall apply.
